Start of the new semester!

The new fiscal year started on Friday, April 5th. I noticed that many children came to school earlier than usual on this day. Children did not go to classrooms, but instead went to the gymnasium.

This is because there will be class changes in all grades starting this year. After the class announcements, students lined up in their new classes and held an induction ceremony and opening ceremony.

At the opening ceremony, I said, "Let's have dreams and goals." I want my children to decide in their hearts what they want to be able to do this year, what they want to pass, and what they want to understand, and do their best.

Life Goals
for April

Observe the rules and start a fun school life

At School:

- Enforce greetings, name tags, and yellow hats.
- We will check the rules of life at Sanrizuka Elementary School and give guidance to ensure that they are thoroughly followed.
- Make sure the children know what to bring and do each day.

At Home:

- Parents/guardians must read the documents distributed by the school and prepare necessary items such as learning materials.
- Make sure all children's belongings are named.
- Please prepare a helmet when riding a bicycle.

月日	行事	月日	行事	月日	行事	
5(金)	Opening ceremony	15(月)	Physical examination/Ear examination	7(火)	Collection date	
	All grades leave school at 11:00	16(火)	市制70周年写真撮影		All grades leave school at 14:40
