Participating in the Inba Regional Tournament for the first time in eight years!

The choir has been practicing for a long time for the two-section music recital that was held on October 30th. When the children first started practicing, they had trouble producing good voices and even keeping the pitch in tune. With the children practicing repeatedly, led by their leader, their voices became more powerful, their pronunciation improved, and their harmony became more pronounced. The children were nervous at the performance on the 30th, but with the piano accompaniment they were able to sing in their best voices ever. Sanrizuka Elementary School was selected as a representative and participated in the Inba District Music Recital. On November 20th that day, the goal was to "just have fun singing," and the children were able to sing without feeling nervous. Their singing voices became even more wonderful. The children were very satisfied, saying, "It was fun."

11月1日（金）Field trip 1st grade

The first graders went to Chiba City Zoo. Being an autumn Friday, there were many schools there. Apparently 100 buses and 2,000 people visited the park. Each group went around looking at the animals. Some groups got lost along the way, but those are also good memories. The children were able to make some fun memories under the clear autumn sky.

20日（水） Music recital

The children participated in the Inba District Music Recital on behalf of the second division. The music club started practicing in the second semester. For the final performance, their goal was "Sing happily for yourself," and their beautiful voices filled the venue.

初めてのマラソン大会 一年生

28日（木） Makiba Marathon

It rained until the morning, so it was hard for the teachers to prepare the course. Due to the large number of events scheduled for the second semester, the time available for practice was shorter than usual. Even so, the children worked hard towards the competition, and it seemed like many of them were able to achieve their personal bests on the day.

30日（土） Oenoki Festival

This is the second year since the bazaar was revived. Starting this year, the bazaar has been renamed the "Oenoki Festival." Starting this year, we have changed the way the organization is run to be managed by headquarters officials and volunteers.

We hope that we can continue to hold the bazaar comfortably and enjoyably in the future.
