

Promise when commuting to and from school

- Children generally walk to and from school to improve their physical strength.
- If, for unavoidable reasons, you are being transported to and from school by private car, use the back gate, do not use the front gate.

<Things to check when using the gymnasium parking lot>

- Please use one-way traffic as shown in the diagram below.
- This is a parking lot for Gakudo, so please refrain from parking for long periods of time.
- Children attending the Gakudo may be present, so please drive slowly and carefully when driving.
- The school does not take any responsibility in the event of an accident.
- If an accident occurs, we ask that the parties involved take action.
